

Annual Report Town of Rutland, Vermont

Year Ending December 31, 1984

RUTLAND MALL
Woodstock Ave.
Present Complex and Future Addition

This issue is being dedicated to a life-long resident of the Town of Rutland, namely J. Barry Burke.

This is the man who "wears three hats", at different times for the Town and if you are building a new home, you'll get to meet him at his three different functions.

Barry was married to the late Louise Conner who grew up on Cold River Road in the Town. He and Louise have five children, all of whom were active in local school and 4-H activities.

Barry always maintained a keen interest in Town activities and politics but it wasn't until his children left home that he assumed the elected office of Lister in the spring of 1968. He has since held that office and for the most part, that of Chairman. Barry also serves as Building Inspector and Health Officer, having been appointed in 1977.

Barry knows the Town well — the lay of the land, the landowners and property lines. Over the years, he has represented the interests of the Town well while striving to maintain a delicate balance between responsible growth and rural living.

Now, if we could only keep him away from chain saws for the next few years, we may draw on his expertise a little while longer.

Seriously, Barry, we all wish you many more years of health and happiness.

AUDITORS' REPORT

The Honorable Board of Selectmen:

In compliance with Sub-Chapter 5, Chapter 51, Title 24, Vermont Statutes Annotated, we have examined the records and accounts of the Town's General Fund and associated funds as of December 31, 1984.

In our opinion, the accompanying financial statements present fairly the financial position of the Town at December 31, 1984, and the results of their operations, and changes in their financial position for the year then ended.

As auditors, we have reviewed the accounting controls of the Town Treasurer's Office and have utilized accepted auditing procedures as provided by the State of Vermont.

We thank the Town Treasurer, the Assistant Treasurer, and the Board of Selectmen for their cooperation and support in assisting us in the examination of the Town records.

Respectfully submitted

SELECTMEN'S REPORT

In last year's report, the Board of Selectmen thanked the many voters who helped us in ratifying the Inter-Municipal Sewer Agreement between Rutland Town and Rutland City. This year, we feel that this Agreement has already paid dividends in view of the building permits issued for new development within the Town.

Our Planning Commission has been very active with the many requests for new construction within Town. Some of the major undertakings they have dealt with this past year have been the Alpine Pipeline, the Rutland Mall, Holiday Inn, Central Vermont Public Service Corporation, Carris Reels, one multi-family development, a proposed mall and many smaller development projects. We had hoped to have Zoning in effect in 1984, but with the very busy schedule our Commission had to meet, it now appears that 1985 will see a decision on Rutland Town's zoning package.

North Grove Street was our only major piece of road construction this past year and we ran into many problems with all phases of construction. Much blasting was required to engineer a proper drainage system and by so doing, much discomfort was brought about to the neighborhood for which the Selectmen apologize and hope we can complete the project this spring to everyone's satisfaction.

The Town Recreation Commission has once again carried out a very successful season with their various athletic programs and should be commended on running a fine program. This summer, they are planning new improvements in such areas as re-surfacing the tennis courts at Northwood, building an access road to the new ballfield at Northwood, and installing a new lighting system at Dewey Field.

Our Center Rutland Fire Station went through some badly needed roof repair work and with this completed, insulation will now be installed above the ceiling in the Meeting Room. Both Stations are pretty much up to date on preventive maintenance and this coming year, we will be reviewing vehicles for either major repair or replacement. Once again, we want to extend our thanks to all the members of the Department for their continued dedication.

We look forward to a very busy 1985 with our many construction prospects and wish them all a successful season and a warm welcome to the Rutland Town community.

Robert W. Solari, Chairman
Board of Selectmen

25. To share in the build-up to the 200th Anniversary of our Vermont entry as the 14th State of the Union, would you prefer the "Republic of Vermont 1777-1791" on the front of your vehicle instead of the number plate? This is a non-binding show of preference.

26. WHEREAS: Vermont is a rural State with great dependence on the land and in particular its forests and related forest by-products and WHEREAS; this dependence is in serious jeopardy due to acid deposits from sources outside its borders
NOW, we citizens of Rutland Town do hereby urge the Environmental Protection Agency to pursue with all zeal its effort to bring about a solution to this severe environmental problem.
27. To transact any other necessary, legal and proper business which may come before said meeting.

AUDITORS' REPORT

The Honorable Board of School Directors:

In compliance with Sub-Chapter 5, Chapter 51, Title 24, Vermont Statutes Annotated, we have examined the records and accounts of the Town School District as of June 30, 1984.

In our opinion, the accompanying Financial Statements present fairly the financial position of the School District as of June 30, 1984; and the results of their operations, and changes in their financial position for the year then ended.

As auditors, we have reviewed the accounting controls of the Town Treasurer's Office and have utilized accepted auditing procedures as provided by the State of Vermont. We have sent copies of the Management Letter stating any weaknesses there may be to the Town Treasurer and Board of School Directors.

We thank the Town Treasurer and everyone else concerned with the Rutland Town School Department for their cooperation and support in assisting us in this year's examination of the School records.

Respectfully submitted

**ANNUAL REPORT OF SCHOOL DIRECTORS AND ADMINISTRATION
TO
RUTLAND TOWN CITIZENS**

We welcomed two new faces to the Board this year. Dr. Theodore Shattuck replaced Joan Gustafson who retired after more than six years of service, and Donna Doucette who was appointed when Russell Melocik moved to Burlington.

Retiring this year were Tina Murray, Fourth Grade Teacher; Francis Sharp, Head Cook; William Sharp, Custodian; and Anna Spencer, Librarian; with a grand total of 79½ years of service to the school. The Board says thank you to these dedicated employees.

This year we have established a computer program for all children. The Computer Room has twelve computers, four printers, and a full-time teacher. Grades 1-8 take part in the program learning various aspects of computer use. Children are involved in learning LOGO and BASIC, two computer languages, word processing, and other related computer activities.

By 1990 forty million people will be using computers in their work and most U.S. homes will have a computer. Our children are fortunate to have this advantage. The program has been very successful, and many children are in the computer room at every available opportunity.

Another program that we have emphasized this year is "The Vermont Writing Program." In the fall over twenty of our teachers took a University of Vermont course on the latest method of how to teach children to write. All teachers are keeping writing folders for each student so we can compare their writing from the beginning to the end of the year. From all indications this program is proceeding very well.

We have revised the language arts program, grades 1-4, this year. By hiring four part-time teachers to help us teach reading, writing, and spelling during a two hour block of time, our students have shown positive results on their language arts skill due to this concentrated "Time on Task."

Due to the efforts of Reeta Coughenour and the Band Boosters, Rutland Town School will have a marching band for the first time, complete with new overlays of blue and gold for every child. So look for us 40 to 50 strong with banner and flags marching in the Loyalty Day Parade.

The Board and the Rutland Town Education Association signed a two-year contract in 1984. The successful negotiations resulted in a major revision of the master agreement at the same time retaining the starting salary and revising the step salary scale.

Beverly Hobson has replaced Thomas Jennings, Supervisory Union Business Manager, who accepted a similar position in New York. Mrs. Hobson, whose background in accounting is working toward the school district's advantage, is presently working on her masters degree in Business Administration from UVM.

Last year's Supervisory Union's Junior High Science Fair was so successful that another one has been planned for March 27. This year students from Barstow School have been invited to participate with those of Proctor, Rutland Town, and West Rutland. The host school will be the Rutland Town Elementary School.

Representatives from the State Department of Education monitored special education practices in the Rutland Central Supervisory Union School Districts and found us to be in compliance with all state and federal regulations. An audit of financial records for the past six years also revealed complete compliance with state accounting procedures. Special Education Procedures have been updated, and a detailed manual which outlines

current practices is available to concerned citizens by contacting either the school principal or the Superintendent.

Special education programs continue to be offered to developmentally delayed pre-schoolers through the Essential Early Education Program. A full continuum of mainstreaming is available to all grade school pupils through the Resource Room and Speech/Language programs at the school.

Directors will begin work in February on the school budget during regular Board meetings which are open to the public. We welcome input from citizens on this important matter before finalization. Voting for the school budget and directors will be May 21. We urge you to participate in both the preparation and the voting.

Thank you to the Administration and staff who work together so successfully to carry out the programs and the politics that prepare our students for high school and the complicated and rapidly changing world of tomorrow.

Basis for Budget Support: Number of full-time teachers plus percentages for part-time teachers.

42 Teachers — 36%
35 Teachers — 30%
39 Teachers — 34%

PROCTOR 42 — 36% X \$91,335.00 = \$32,880.60 divided
 by 4 = \$8,220.15
 4 payments @ \$8,220.15

RUTLAND TOWN 35 — 30% X \$91,335.00 = \$27,400.50 divided
 by 4 = \$6,850.12
 3 payments @ \$6,850.12 and 1 payment @ \$6,850.14

WEST RUTLAND 39 — 34% X \$91,335.00 = \$31,053.90 divided

***Charter Members**

To my fellow Firemen, Ladies' Auxiliary and Flint's Answering Service, my sincere thanks for your loyal support, and fine job.

It has been a good year for the Town Fire Department with the number of fires down. I strongly recommend the use of SMOKE ALARMS in the home.

The firemen have been busy remodeling the inside of the stations, which we hope to show off when completed with an open house.

The firemen and I appreciate the fine support from all the Townspeople.

Sincerely,
 JOHN E. DRINWATER, Chief
 Rutland Town Fire Department

RECREATION COMMISSIONER'S REPORT

Without question, the greatest amount of satisfaction during 1984 proved to be the total support received from the community in our attempt to raise sufficient funding to permit the construction of a road to our new ballfields. The Commission was able to raise \$2,033.00 for this purpose. Many of our Townspeople sold and/or purchased Booster Tickets in support of the project. Without community support, this idea would not have become a reality. Sealed bids will be opened in February and hopefully the project will be completed prior to the start of our 1985 season.

Our baseball and softball programs continue to develop and promote a solid following. Once again this year, our Mitey-Mite program was very competitive. The Cardinals won the regular season honors, while their long-time rivals, the Blue Jays, were tournament champions. The Little League program was comprised of four teams as opposed to the traditional five of years past. We were fortunate in being welcomed to participate with the Towns of Proctor, Pittsford and Chittenden in their Little League offering. Our teams were very successful vs. teams from other areas. There were ten teams in the League and at the conclusion of the season, the Town teams held four of the top six slots. The Cubs, undoubtedly one of most talented teams ever to participate in the Town, were the season champions. In a single elimination playoff situation, the Giants were able to better the Cubs, and subsequently took second place honors in tournament play. Third and fourth place tournament recognition also went to Town teams. The 14- and 16-year-old Babe Ruth team made their way into post season play. Our 13-year-old Babe Ruth group suffered only one defeat all season long. This team dominated the opposition and won both the regular season and tournament honors. The final game of the tournament provided a level of excitement which I myself will not soon forget. The Girls Softball program provided recreational activities for nearly 40 girls. Organizational problems with several of the Towns involved prohibited our expectations of a successful venture for the Bravettes I. The Bravettes II were a young team under new direction. They will most definitely be a strong contender in the future.

Utilization of the pool facilities was slightly less than anticipated. Season ticket sales were up considerably from previous years. Both sessions of swimming lessons were near capacity. Our Swim Team participated in several meets and was fairly successful. Participation in this program has grown to a point where we have become very competitive as a team. Several of our children participated in the State meet held at Dartmouth College late last summer. The pool was opened over Labor Day weekend, however inclement weather did not provide ideal circumstances for this type of activity.

The Arts & Crafts program was a successful venture. Several children participated in the various offerings that were available.

Construction of the new ballfields at Northwood Park has been completed. We encourage and invite all Town residents to view this facility prior to the start of the 1985 season. Team benches, bases, and a certain amount of fencing will have to be installed. This project was possible by means of a Heritage Grant involving 50% Federal funding, 30% State funding, and 20% Town support.

Renovations of our Dewey Field complex will commence this spring, and we anticipate this project to be complete by mid-summer. We have an article on the ballot relative to the electrical and lighting systems at Dewey. We have been able to realize \$1,000.00 in additional income by renting Dewey

RECREATION COMMISSIONER'S REPORT (Cont.)

Field to an organized men's softball league. The lighting presently in use has become obsolete. We are told that replacement bulbs are no longer made by the manufacturer. We are asking for \$6,500.00 to upgrade this system as much as possible. We estimate return on investment to be approximately 5 years. The proposed lighting will be much more efficient to operate, and therefore less costly. We would appreciate your consideration in this matter. We have been able to obtain approval at the State level to incorporate this project with our renovations at Dewey Field. This will fall under Funding guidelines relative to our Heritage Grant (50% Federal, 30% State, 20% Town funding).

In conclusion, we wish to thank the Selectmen, coaches, employees, and in particular the taxpayers for their continuing support. We realize that without your support there would be no recreational activities. The Commission encourages and welcomes any suggestions or ideas which will enhance our programs.

CHENEY HILL CEMETERY ASSOCIATION ANNUAL REPORT

The annual meeting of the Association was held with the following officers elected:

President.....Sherwin L. Williams
Vice President.....Byron J. Hathaway
Secretary.....George J. Livak

The year 1984 saw the cemetery property well mowed and cared for by the Association. The Association also took care of the old cemetery in Center Rutland.

There were no major improvements in the cemetery this year. Plans are being made to place trash containers in the cemetery and also looking into the possibility of having water available. More work is to be done on improving sod in the cemetery.

Twenty-six (26) regular lots were sold in 1984. There were seven (7) burials in 1984.

Actual money in the Perpetual Fund Account is \$19,064.52. This amount is added onto yearly by sale of lots. The total amount is to be kept constant, but the interest from the fund may be used for the operation expenses of the cemetery.

LIBRARY REPORT

The Rutland Public Library offers a wide variety of free services to the entire Rutland region community.

During the past year the library has conducted seminars on such wide ranging topics as computers, the use of reference materials, kite making, and the American social revolution. The library offers adult reading programs, concerts, plays, and lectures by scholars and authors.

The children's section, in addition to the large and varied collection available for borrowing, provides reading programs and special after school performances by puppeteers, story tellers, and actors. For pre-school age children there are special story hours for their interest level.

In its inventory the library holds 75,000 books and over 100 periodicals available for borrowing. Housed at the library is one of the best local historical and genealogical collections in the state.

At the present time two residents of Rutland Town serve on the library's board of trustees. About two thirds of Rutland Town residents are active users of these free services. We urge all Rutland Town citizens to take advantage of the programs and the library's book collection.

RUTLAND REGIONAL COMMISSION ANNUAL REPORT

"Local Governments Finding New Ways to Do More With Us"

Last year the Rutland Regional Commission used this space to tell you how your contribution would be used during the year. This year we want to review how well we met those goals and again, let you know the programs that your assessment would support in the upcoming year.

PAST YEAR'S EFFORTS

The Regional Commission's agenda for the past year was to help your community deal with the dramatic changes we are all facing, expanding its local services program to provide the resources to answer your questions, find the information you wanted, and give you the training you requested.

*We continued to provide technical assistance to the Planning Commissions, Selectmen, and other officers of our member governments. Specific assistance to the Town of Rutland included trying to solve water problems in Flory Heights, involvement in discussions on proposed bypasses, identifying highway needs, the Interregional Development Forum, and a Road Management Survey and Community Facilities Survey. The Tuttle Law Print Building was a recipient of our 1984 Roger Brown Memorial Award for Outstanding Land Development.

*We took initiative in proposing the Interregional Development forum which will take an objective look at the impacts of ski area-related development.

*We continued to be a means for local governments to discuss and solve common problems.

*We conducted the annual Roger Brown Memorial Award for Outstanding Development program.

*We used our access to national networking systems to give you answers to questions on planning zoning, and local management issues. A program to provide information on equipment purchases was abandoned due to lack of local interest.

*We helped communities apply for planning grants and development grants to expand opportunities for commercial revitalization, housing, and recreation.

*We implemented a Town Managers Breakfast Roundtable where managers could come and informally discuss issues and share solutions to common problems.

*We provided workshops on alternative sewage treatment methods, road management, and Main Street revitalization.

*We developed a closer working relationship with area development organizations in order to expand job opportunities.

NEXT YEAR'S PROGRAM

The Regional Commission's agenda for next year will continue to emphasize expanded local assistance to member communities and to identify and help resolve regional issues:

*We will continue to develop new programs, alternative funding sources, and staff abilities so that we can provide more and better services and information without greatly increasing member contributions.

*We will implement a Financial Trends Monitoring System in interested communities. This System should give local officials better tools with which to assess changes in local revenues and expenditures.

*We will present additional workshops and training sessions. Many will be geared to local road management officials and will be held at town garages in order to be accessible to local road personnel. Also we will spon-

RUTLAND REGIONAL COMMISSION (Cont.)

sor workshops on groundwater protection, planning and zoning basics, and other areas in which you are interested.

*We will continue to expand our information resources, grant application preparation assistance, and computer assistance in order to provide you with the data needed to make informed decisions in local planning and management.

*We will conduct the Interregional Development Forum.

*We hope to implement a regional housing program to be run by a locally controlled nonprofit corporation — which will provide loans for housing improvements.

All of our activities are based on the philosophy that it's cheaper to do it together, that local governments can find new ways to do more with us.

Please join us in these efforts in 1985.

Respectfully submitted:

Charles Brothers, Commissioner from Rutland Town, for all the Commissioners and staff of the Rutland Regional Commission.

RUTLAND TOWN PLANNING COMMISSION REPORT

The improvement in the Vermont economy in 1984 has resulted in many developers coming to the Planning Commission requesting Certificates of Compliance for their proposed projects. The Town Plan and Subdivision Regulations require that each developer specifically review their proposed land use plans for compliance.

In 1984, the Commission also redrafted the proposed zoning document which will be presented to the Selectmen in February 1985. The Commission plans to hold a public hearing in February 1985 to be followed by a second hearing by the Selectmen, most likely in March.

We hope that the Townspeople will review the proposed zoning plan and support its content and adoption. Through zoning, the Town will have better control over land use and building construction rather than relying on Act 250 to make the decision.

The Planning Commission welcomes your constructive comments and support.

RUTLAND AREA VISITING NURSE ASSOCIATION, INC.
P.O. Box 226
Center Rutland, Vermont 05736
ANNUAL REPORT — 1984

To: The Board of Selectmen and Citizens of Rutland Town

Home visiting and caring for people continues to be the primary concern of the Rutland Area Visiting Nurse Association. Our health programs provide many services that are needed in your community. We are doing our best to help support the patients, and families that wish to remain at home during illness and aging. The rising cost of health care and the strong desire to remain in familiar surroundings has promoted the use of all of our services.

The report of what services have been provided to your community is as follows:

Unduplicated patients	80		
	Visits		
Skilled Nursing	526	Live-In	22 days
Home Health Aide	264	Clinic Services	-0-
Physical Therapy	156	Prenatal Couples	38
Speech Therapy	1		
Occupational Therapy	15		
Homemaker	172		

Our Agency continues to work closely with all health-related organizations to promote the highest quality of health care to your community.

The demands continue to grow because of the Federal and State regulations that have changed and are promoting home health care and more cost efficiency.

We will continue to do our best to meet your needs. If you, or your family, needs help, please call. The Rutland number is 775-0568 (24 hours - 7 days a week); Castleton is 468-5668, or Brandon - 247-3111 (Monday through Friday, 8 a.m. - 4:30 p.m.). We have staff on call for all areas seven days a week, twenty-four hours a day.

It has been a pleasure to serve you and we look forward to another busy and rewarding year.

Sincerely,
 Evelyn Doyle
 Executive Director

REGIONAL AMBULANCE SERVICE
FY 1984 ANNUAL REPORT

The year has brought about many favorable changes for the Regional Ambulance Service. Nearly 1/3 more calls were answered than was originally estimated. This increased call volume has resulted in the purchase of a fourth ambulance and hiring of additional staff.

In its infancy the organization expected a certain number of changes to take place and provided room for growth in order to obtain the highest quality and most efficient Emergency Health Care possible.

Many of our problems can be contributed to a poor cash flow situation. This stems from the original fund raising efforts which fell somewhat short in providing adequate working capital. Having struggled through this very difficult period by keeping a tight rein on our expenditures we have managed to improve our cash flow.

In an effort to improve our recordkeeping and accountability the Board of Directors employed the accounting firm of Janssen Schmidt Associates. Their first responsibility was to set up a comprehensive accounting system in order that we could obtain good financial control.

Since a large part of our revenues come from a per-capita assessment of the eleven (11) participating towns, the Board of Directors has established a yearly auditing policy. As a result of that policy Janssen Schmidt were asked to audit FY 83-84, the outcome shows a loss of only \$204.00 which is quite acceptable in view of the \$308,000.00 budget.

We have, at this writing, gained a relatively good financial position. However, there is one factor which is extremely important and will affect our future financial standing, that is, your support for the 1985 budget. The amount shown in the 1985 budget may appear large to some. But lest we forget that these items were neglected in the two previous budgets. We now must make up the difference.

I'm sure you would agree that proper vehicles and equipment are essential to a reliable service and should not be eliminated. In discussing these items it is well to know that all other budgeted items remain relatively the same compared to the previous year.

In closing we wish to thank the voters for their support and express additional thanks to the business community and the many individuals who have contributed so much in money and materials to the success of this, your ambulance service.

David R. Melen
 President, Board of Directors

THE BUS
FY 1984 ANNUAL REPORT**

During THE BUS' last fiscal year there was a steady growth of ridership and a continued upgrading of the fleet and facilities.

The most significant event: receiving a \$371,000.00 grant from the Urban Mass Transportation Administration. This grant allowed THE BUS to purchase its own Administrative / Maintenance / Storage facility as well as plan for vehicle replacement in the future. Having this facility will allow THE BUS to better maintain the fleet, eliminate payment of rent, reduce the overhead costs, and, in general, improve its service to its member communities. By having a source of funds for vehicle replacement, THE BUS will not repeat the experience of a few years ago.

During the year the Town of West Rutland elected to rejoin THE BUS. On April 1st, 1984, THE BUS restarted service to West Rutland in conjunction with the Castleton/Poultney bus.

The ridership for the year was 160,540 passengers for the entire system. Of these, 58,158 passengers were under contract with various agencies in the county.

The ridership for Rutland Town was 204 passengers on the new town route (started August 27, 1984) for the month of September, 1984. This ridership number does not include the number of Rutland Town passengers riding the fixed routes passing thru Center Rutland and Flory Heights, nor does it reflect the number of passengers using the city fixed routes serving Rutland Town at the Green Mountain Plaza and the Rutland Mall.

Also, for the benefit of Rutland Town parents wishing to have their children transported to Mill River High School and Proctor High School: 1) a trip was established that transports students to and from Mill River High School, 2) and the Proctor Route was adjusted to accommodate the starting and ending times of Proctor High School. Both of these have been designed to connect with the Town Route.

One of the reasons for the success of THE BUS during this past year was the dedication of the staff. THE BUS has the good fortune of having a great group of employees. The Board of Commissioners and the Management of the Marble Valley Regional Transit District — THE BUS — thank this group for their loyalty and dedication.

**VERMONT DEPARTMENT OF HEALTH
Annual Report to the Citizens of Rutland Town**

The mission of the Vermont Department of Health is the prevention of illness and the control or elimination of hazards dangerous to the health of the public. In working toward this goal, the Health Department has provided, or assured the provision of health services to communities across the state. Direct services are provided through 11 district field offices. During 1984, citizens of Rutland Town received the following services from the district office in Rutland:

7 pregnant women, new mothers, and children received supplemental foods, health and nutrition services through the WIC program.

1 child or young adult received medical evaluation of health and dental status through the Early Periodic Screening, Diagnosis and Treatment program.

13 persons received assessment information and counselling through the Maternal and Child Health program and/or information and teaching of parenting roles through prenatal classes and home visiting services.

Diagnosis and treatment services for orthopedic, hearing, cardiac, genetic, developmental disorders, and other handicapping conditions were provided to 1 child through the Handicapped Children's program and/or the Child Development Clinic in Burlington.

The Public Health Laboratory in Burlington assists in the prevention and control of illness by identifying chemicals and microorganisms in a variety of substances. During 1984, the following laboratory services were provided to residents of Rutland Town:

2 blood tests to identify women needing immunization against German Measles (Rubella) to prevent birth defects,

9 other diagnostic blood tests,

346 tests of individual and municipal water systems to monitor drinking water quality.

The Dental Division provides services to local communities including installing and maintaining fluoridation equipment in selected community and school water systems, paying for dental treatment of eligible children, and providing dental health education in the schools.

Statewide, the Health Department provided the following services to Vermonters:

120,811 doses of vaccine were administered in Health Department clinics to prevent polio, measles, other childhood diseases, and influenza. 202,966 doses were supplied to private physicians.

16 hospitals, 47 nursing homes, and 44 level III community care homes were inspected and licensed.

5,906 food or lodging inspections were conducted.

1,153 reports of communicable diseases were investigated.

382 gonorrhea cases were interviewed and 375 contacts were traced by Epidemiology field investigators.

415 air, water, and other samples were taken in the vicinity of 2 nuclear power reactors were tested for radioactivity, 19 houses were tested for the presence of formaldehyde, and 145 x-ray machines in hospitals, doctors' and dentists' offices were inspected.

91 VOSHA regulatory inspections and 98 voluntary consultative inspections of Vermont industries were conducted.

The Tooth Fairy program provided financial assistance for the dental care of 7,205 children; the Denticaid program provided assistance for 12,387 children.

VERMONT DEPARTMENT OF HEALTH (Cont.)

3,238 persons received screening for early detection of lung diseases through the Barre, Rutland and other Health Department chest clinics.

6,624 breath and blood alcohol samples were processed by the Laboratory. 13,806 bacteriological and viral cultures were tested.

The Emergency Medical Services program provided support and technical assistance to the state's 87 ambulance services, 55 first responder squads and 16 hospital emergency departments. 629 Emergency Medical Technicians were trained or recertified, and 230 certifications were issued in advanced life support skills.

The Office of the Chief Medical Examiner investigated 724 Vermont deaths, including 205 accidents, 19 homicides, and 76 suicides.

Many services are also provided at the local level by your Town Health Officer, J. Barry Burke. Please feel free to call him if you need any assistance. The Health Department provides technical assistance and support to local health officers.

We encourage your participation in our programs. Information about all Health Department services may be obtained by calling our toll-free number 1-800-642-3323, or the Rutland district office at 773-5811.

ALCOHOLISM INFORMATION AND REFERRAL CENTER, INC. 1984 ANNUAL REPORT

The Alcoholism Information and Referral Center, Inc. has been bringing treatment services to citizens of the Rutland area for the past 14 years. Each year, at Town Meeting time, we present a funding request to each community in Rutland County to support these services.

This year A.I.R.C. is requesting an allocation of \$1,094.00 from the town of Rutland Town.

In the past year A.I.R.C. brought treatment services to 6 individuals. This represents 38 times town residents were seen by the A.I.R.C. treatment staff.

It is critical that we receive local support so that we may continue our work with the alcoholic and their families.

We would be happy to meet with you or any interested persons from your community to discuss our services and how best we can serve your community.

We are looking forward to a favorable response to our request from the citizens of Rutland Town.

We wish to thank you for the allocation voted us on town meeting, 1984. It has helped us continue our services in your community.

Sincerely,
William Thomson, President
Board of Directors

RUTLAND COUNTY BATTERED WOMEN'S NETWORK 775-6788 — 775-3232

Herstory House, a shelter for victims of domestic violence and their children, is operated by the Rutland County Battered Women's Network.

On the average, three hundred and thirty women and children are given emergency shelter and support services every year. Three hundred additional women turn to us for assistance, counseling, and legal advocacy while making a decision to break the cycles of violence in their lives.

Operated by a small staff and twenty five volunteers, the Network responds to victims twenty four hours a day, seven days a week.

We pursue opportunities for education and training and are working to develop a counseling program for men who are abusive.

BENNINGTON-RUTLAND OPPORTUNITY COUNCIL, INC.

The Bennington-Rutland Opportunity Council offers a wide range of programs with direct assistance, counseling, self-help and community participation as the means through which alternative opportunities are presented to needy community members in order that they may achieve their personal goals.

Enclosed you will find a Programs and Services synopsis that details the assistance provided and activities offered in your community by our staff to needy individuals and families from the very young to the elderly. In addition, we have attached a Summary Sheet which indicates the dollar value of the services provided which includes staff time, materials and transportation costs.

We appreciate any efforts you could make to facilitate our receiving funds this year.

RETIRED SENIOR VOLUNTEER PROGRAM

The purpose of the Retired Senior Volunteer Program (RSVP) is to recruit and place people 60+ in meaningful volunteer work with local non-profit, community and human service organizations. Rutland County RSVP has over 325 volunteers, ranging in age from 60 to 92, who last year contributed over 58,500 hours to 75 non-profit, human service and community organizations in the county.

There are 8 RSVP volunteers who live in Rutland Town. Last year these 8 volunteers contributed over 1770 hours to organizations which are located in or serve Rutland Town. RSVP and its volunteers have provided services to: Vermont Office on Aging, Southwestern Vermont Area Agency on Aging, National Council of Senior Citizens, Rutland Town Elementary School, Tax Counseling for the Elderly, Beverly Manor and Eden Park Nursing Homes, Well Child Clinic, RSVP Service Group, and St. Peter's Meal Site for the Elderly.

RSVP maintains regular contact with all volunteers and organizations to insure that all parties are happy with their respective assignments. Organizations can request additional volunteers at any time.

We appreciate the support you gave to RSVP last year and look forward to another year of service to your community.

Donna E. Jerry,
Director

SOUTHWESTERN VERMONT AREA AGENCY ON AGING

This agency would like to request \$450 in funding support from the town of Rutland for the coming year. This is the same amount of financial assistance we received last year.

We appreciate the support given by Rutland Town in the past. Statistics from our recently completed fiscal year show that this agency provided significant assistance to elders in your community. With your help, 15 frail elders received over 1500 home delivered meals; 22 elders participated in nearby congregate mealsites. Our Advocate staff directly assisted 28 individuals who were 60 or older in your community. This help enabled these individuals to take part in the various assistance programs available including SSI, Energy Assistance, Foodstamps and Medicaid. Additionally, our agency supplied the funding to support a Legal Service Attorney who provided legal advice and representation and a Long Term Care Ombudsman who provided assistance to elders needing information or intervention in problems related to nursing homes or community care facilities in this area.

Although this agency does receive federal support, we are required to come up with local monies to meet our match requirement for those federal funds. This is why we ask for funding from your community to support our efforts.

We understand that we do not need to present a petition in support of this request. Please correct us if we are wrong in this regard.

We would be pleased to send a representative from this agency to any meeting you have concerning this request. Please contact me if such representation would be helpful.

In closing, let me again say that we appreciate the past funding support from Rutland Town. I trust that you will see fit to continue this level of support in the coming year.

Sincerely,
Diane M. Novak
Social Service Director

UVM EXTENSION SERVICE—RUTLAND COUNTY Rutland Town Office Bldg., Rte. 4, Center Rutland P.O. Box 489, Rutland, VT 05701 773-3349

The UVM Extension Service is a combined effort of the University of Vermont and the US Department of Agriculture to bring educational programs to the people of Rutland County. The areas in which programs are conducted are agriculture and related areas such as home grounds, home economics and nutrition, youth, resource and small business development and energy conservation. Energy Outreach Advisors are available to conduct energy audits on homes in Rutland County providing information on energy conservation measures for homeowners.

Funding: Funds for the UVM Extension Service come from three sources. Federal, 38 percent; State, 48.9 percent; and from towns, 13.1 percent. Town funding is based on the Town Grand List as compared to the County Grand List. State statutes are the basis for town contributions.

Extension Service Advisory Board: A board comprised of 16 people from Rutland County advises the Extension agents on programs to be carried out. Members are elected at the UVM Extension Service annual meeting held in April. The annual meeting notice is published in the Rutland Herald two weeks in advance and is open to the public. Current members of the board are: Byron R. Hathaway, Sharon B. Crowley, Anthony J. Nowak, Jr., of Rutland Town; David Horgan, Roy Rotella, Rutland City; Rita Charlton, Samuel Ezzo, James Richards, Fair Haven; Kim Harvey, Florence; Miles Richards, Mt. Holly; Ardith Fenton, Middletown Springs; Dawn Clark, Edgar Cleveland, Pawlet; Bonnie Kelleway, Proctor; Diane Heleba, Eleanor Hart, West Rutland.

Rutland County Extension Service Staff:

County Extension Agents:

David P. Newton, Agriculture
Margaret R. Andrews, Home Economics
Betty A. Durkin, Youth/4-H
Linda D. Aines, Resource & Small Business Development

Nutrition Aide: Marie Bingham

Energy Outreach Advisors: Carole Berger & Cathy Reynolds

Also:

Valeria D. Nagy, Administrative Assistant
Elizabeth Pratt, Secretary
Laura Rotella, Secretary

University of Vermont Extension Service and US Department of Agriculture cooperating, provide equal program and employment opportunities for all. For more detailed information call or write UVM Extension Service or contact a member of the Advisory Board. As a resident of Rutland County, Extension Service information is available to you.

THE VERMONT CENTER FOR INDEPENDENT LIVING'S 1984 ANNUAL REPORT TO VERMONT TOWNS

The Vermont Center for Independent Living is a private, non-profit organization which works to assist disabled Vermonters in increasing their independence. We work throughout the state with disabled individuals, their families and friends, other organizations and agencies, and the general public to reach this goal.

VCIL was founded in 1979 by a group of Vermont's most active disabled citizens. Our Center is managed and staffed primarily by persons who have disabilities — people who understand this unique experience first-hand. Our organization demonstrates that disabled people are best able to speak for themselves and make the decisions which affect their lives. Through providing people with information, helping them to problem-solve, set goals and develop new skills, and through assisting them in expressing their needs and concerns effectively, we help disabled people develop self-sufficiency and independence.

Our programs have worked to help disabled Vermonters increase their independence. During the past year, VCIL has provided support to over 3,460 disabled citizens. This support has been through long and short-term, one-to-one peer counseling; providing information in all disability related areas and referrals to needed services through our Information and Referral System, and Community Advocacy's work with local disability groups to help them increase the awareness of their friends and neighbors and make their towns more accessible. Through our Adaptive Equipment Project, we have let people know about equipment that will help them to live more independently, and have also worked with state agencies and policy makers to improve the cost effectiveness and efficiency of the equipment purchases these agencies make for their clients. Our Client Assistance Project has helped clients of the Vocational Rehabilitation System (the main provider of employment-related training and services) secure better and more effective services. Finally, our Home Modification Project has helped disabled people find accessible housing, and modify their own homes to better meet their needs for independence and easy mobility.

The existence of VCIL is important to disabled Vermonters. As you can see, we offer a wide variety of services to disabled Vermonters, their friends and their families. The work we do not only helps create concrete changes in the lives of disabled Vermonters, but also on a more fundamental level changes the attitudes and awareness of both policy makers and the public at large. Through the support of VCIL, disabled people are afforded a host of resources to help them increase their strength, dignity and independence.

During the past year, VCIL has seen 14 people in your town through our Peer Advocacy Counseling Program; has responded to 40 Information and Referral requests for town residents; and sends "AccessAbility," our regular newsletter, to 3 individuals who reside in Rutland Town.
